Sir

I have the honour to inform you that I was cited as a witness (in the Sakleshpur Amildar's Court) by the Mysore Govt on the 6th August last, and I received a certificate of attendance from the Amildar on that date, and I requested him, that my batta and travelling allowance be paid. The Amildar informed me that the above certificate would be sent to the Deputy Comr Hassan, who, would pass orders on it.

As I have been now waiting virtually 3 months for my batta and travelling allowance (which in the first instance should have been sent along with the summons to me) I would feel obliged by your kindly ordering the payment to be made without any further delay.

Two other ~~witnesses~~ men, one from this estate and the other from a village adjoining (natives) who also were Summoned as witness in this Police case, and who attended the Court on 2 occassions have neither received any batta or travelling allowance upto date. The distance from this estate to Sakleshpur is 31 miles.

I have the honour
to be Sir
Your most obedient Servant.

Letter dated 8th December 1917 from Mr. Chas. P. N. Martin, Kitherahalli, to the Resident of Mysore and Chief Commissioner of - Coorg, Bangalore.

I have the honor to enclose a letter from the Deputy Commissioner of Hassan re: batta claimed by me on account of my being summoned by the Amildar of Saklespur as a witness in his court on the -- 6th July last in a criminal case.

Facts being some villagers felled a valuable Honnai tree on -- this property on or about the 26th March last. I reported the matter at once to the nearest Mysore Police Station - (This Estate being in Mysore, though the Post Office for it is in Coorg) and requested an enquiry. The Police turned up about the middle or end of June. There were two witnesses. The Estate cow-herd and a patel belonging to a village adjoining this Estate, who saw the men cutting the tree.

I attended the Court on receiving the summons, and this I -- could ill afford to do, and further I was put to great inconvenience and expense as I had to go in a country cart 31 miles in the monsoon and cartage here is 4 annas a mile. By the time the Police came, -- another tree a "Nandi" had been felled close by the other Honnai tree and a few days afterwards this tree was removed. I had also about -- 50 bushels cherry stolen of the trees during last crop and reported the matter to the Mysore Police. A constable was sent to make the -- usual enquiry and this man was so very un-intelligent that he did not even know the name of the S.H.O at his Police Station though he admitted being there for 3 months. Needless to say, nothing came of - this, and nothing has come of the mischief and loss caused by the --- above 2 trees being felled and one of them being removed. I got a - certificate of attendance from the Amildar and requested him to forward it to the Deputy Commissioner, Hassan, as the Amildar could not make the payment without orders from the Deputy Commissioner, so --- the Amildar told me. As I had not heard from the Amildar, I wrote the Deputy Commissioner and not having heard from this gentleman for a - long time, I addressed the Dewan and I presume the Deputy Commis- - sioner's letter is the result of my writing the Dewan. It seems hard

that - -

that this Estate should lose crop and trees and having no redress -- and further for the Estate to pay the Superintendents expenses when cited by the Court as a witness. I have therefore the honor to request that you will be good enough to see that justice is meted out in this matter.

I enclose the cover received from the Deputy Commissioner and -- consider it an insult, he having sent me a letter bearing. Surely -- the Mysore Government is not financially embarrassed to this extent, that it cannot afford to spend 1/2 an anna on postage.

I have the honor to be,

Sir,

Your most obedient servant,

(Sd.) Chas. P. N. Martin,
Superintendent.

P.S.

I was summoned a second time by the Amildar, but could not get a cart to go and this Estate keeps no carts or bullocks or horse and besides I was unwell at the time and wrote and informed the Amildar - I could not come.

I should also like the batta and Travelling Allowance paid to - the 2 witnesses in going to Court twice. It seems so unjust that the cow-herd and Patel in doing their duty to the Government receive - - nothing for their out of pocket expenses and they have each travelled 124 miles.
